

*Thank you  
to all of the  
2018 buyers  
that  
continue to  
support our  
Lucas County  
youth!*

**We need your help...**

Through the purchase of an animal at the Lucas County Jr. Fair Livestock Auction you are helping a young person successfully complete a unique experience. Can you be a part of it?

Livestock  
Auction**

**Supporting the 4H and  
FFA Youth of Lucas County**

**Friday, July 12, 2019—1:30 PM**

# YOU AS A BUYER MAKE THE DIFFERENCE!

Your bids at the Lucas County Fair Livestock Auction truly show the young people that hard work is an investment that pays off, and your support encourages the youth to stay involved in this fine organization. Many of you have been there year after year and a “thank you” can’t compare with your support. Whether you have been the buyer or the back-up bidder, it takes all of you to make an auction.

As a token of thanks for your support, the Anthony Wayne FFA Alumni will be providing a dinner for the buyers between the two auctions. Your tickets enclosed will get you and your guest into the fair as well as serve as your tickets for dinner.

Again, thanks for showing your support for the Lucas County Junior Fair. We look forward to seeing you at the Fair on Friday, July 12, 2019.

## What you need to know to purchase an animal at the fair

### Where:

Lucas County Fairgrounds,  
1406 Key Street, Maumee OH

### When:

Friday, July 12, 2019  
1:30 Livestock Auction

### How:

1. Register at the auction as a buyer. After being assigned a buyer number you will be given a sale program. The sale program lists the sale order and exhibitor names.
2. The auctioneer takes bids in dollars from any one attending. You are purchasing the sponsorship of the animal, not the animal itself.
3. If you are the highest bidder, an invoice will be created for you at the Auction Office, located at the end of the Jr. Fair Arena.
4. You will need to come into the Auction Office to settle up your account. We prefer that all accounts be settled that night if possible or arrangements for billing can be made at that time. The bill will need to be settled within 30 days.
5. If you wish to purchase the animal for your own consumption, you will need to advise them in the Auction Office and then you will pay your support price as well as the base price of the animal. Base prices are posted the day of the sale.
6. If you cannot come to the auction but would like to support an exhibitor, you can send your monetary support to the Jr. Fair Livestock Auction using the enclosed form. **The monies must be received by Friday, July 12<sup>th</sup> to be part of the Lucas County Jr. Fair Livestock Auction.**

## What is 4H and FFA?

- They are voluntary programs for the following age groups 4H 9-18 years; FFA High School Freshman—21 years.
- 4H is the youth program of the Extension Service that is conducted primarily with volunteer leaders.
- FFA is associated with high school agricultural education programs with agriculture as a focus.
- These organizations provide an educational program that supports the learning which occurs in school. This is accomplished by creating a “hands on” experience that requires and develops skills in language, mathematics and science.
- 4H and FFA provide for well rounded youth development by involving young people in opportunities for:
  - Leadership through club or chapter offices and committee assignments.
  - Citizenship through community service and county, state, national, and international conference and exchanges.
- 4H and FFA require young people to develop strong work habits to complete projects and to learn to work with others to achieve a common goal.
- Members of the 4H and FFA programs make a commitment to feed and care for their project animals to learn the desirable traits in the species they raise, and how to exhibit in the show ring. Additionally youth gain business experience as they manage the funds needed to purchase, feed, and care for the project animal and as they keep records on growth, expenses and income.
