FAIR

The Lucas County Agricultural Society is proud to announce the 163rd annual Lucas County Fair in 2021. The fair will continue to be a place for many of the local youth to be able to exhibit for the community their projects they have been working on all year.

The Agricultural Society is a 501-C3 non-profit organization that is comprised of a board of Lucas County residents that not only organize the annual Lucas County Fair but also manage the day to day operations of the fairgrounds year round. Supporting this great event helps to create positive environment for the youth and local community members to enjoy entertainment and family fun.
