

CAMPING RULES & REGULATIONS - 2018

Directors in Charge:

Rick Hannum - hannumf@roadrunner.com

Luke Ryan - ryan@genoaschools.com

In order to obtain a camping permit and to camp on the fairgrounds during the Lucas County Fair, you must be an exhibitor in the Senior Fair, an Advisor with members exhibiting at Jr. Livestock or Jr. Horse shows, or an exhibitor in the Jr. Fair Livestock or Jr. Fair Horse Shows, with a legal guardian staying with you. You must also have purchased at least one membership or weekly pass. Anyone planning to camp in a specific location (horse, livestock, small animals) on the fairgrounds during the fair must get permission from the Director in Charge of the department. Camping/vehicle passes can only be purchased at the fair office prior to parking the camper/vehicle or pitching the tent. Camping/vehicle passes will be available upon meeting County regulation. Campers, trailers and tents used for living purposes during the Lucas County Fair must be put in designated areas. Identification will be issued and must be displayed on camper, vehicle or tent where it can always be seen.

1. Anyone purchasing a camper permit must be at least 21 years of age, must also be a member in good standing of the Lucas County Agricultural Society and must be the person staying at the campsite and camp at their site each night of the fair.
2. Anyone 20 years and under planning to camp must have at least one legal guardian in each camper, vehicle or tent used for the purpose of overnight camping.
3. No gray water is to be discharged on the ground, all discharge valves are to be closed and capped.
4. Sanitary waste is to be discharged only at the disposal station when you leave the grounds or in an approved portable tank made to transport waste from your site.
5. There is a 12:00 midnight curfew for the Lucas County Fair. This curfew will be strictly enforced.
6. No alcoholic beverages or wood fires are permitted at any time.
7. When parking a camper the following clearances must be checked prior to disconnecting from the towing vehicle:
 - a. From the back of the camper to a fence or building ten (10) feet
 - b. From the side of the camper, slide out, bump out to the side lot line five (5) feet and campers shall be at least ten (10) feet apart
8. No livestock trailers are permitted in any camping areas. Camping vehicles and tents may not be brought to the fairgrounds before Saturday, July 8 or as determined by the Director in Charge. All campsites must be kept clean and orderly. Tables and benches belonging to the Fair Board are not to be moved by anyone other than Fair employees.
9. The camp ground road will be closed during rain and inclement weather.

The Lucas County Fair Board reserves the right to tow any vehicle from the grounds at owner's expense and risk for failure to comply with any of the above rules. Any changes in camping areas, distances between campers, etc. will be posted in the fair office. Anyone found in violation of the Camping & Parking Regulations will not be permitted to camp at the following year's fair. Any participants, vendors or patrons of the Lucas County Fair who will be using a golf cart or similar style or form of transportation on the fairgrounds are required to register your vehicle in the fair board office. You will need to show proof of insurance and purchase a \$25.00 permit for the week of the fair. With this permit, you will agree to accept full responsibility for any damage caused by any driver of your vehicle. The person who purchases this permit is to be the sole driver of this transportation during the week of the fair. No form of transportation is allowed on the midway or in high traffic areas while the fair is open. Any violations of these conditions will result in removal from the fairgrounds and your permit and fee are forfeited for the remainder of the fair. Failure to register will result in vehicle removal from the fairgrounds.
