

# Lucas County Agricultural Society

Dear Community Member,

I hope this letter finds you well. On behalf of the Lucas County Agricultural Society and Fair, I invite you to become a valued sponsor of the upcoming **Urban Fair** in 2026. This event is an exciting celebration of agriculture, community, and local culture, drawing attendees from throughout the area for a unique blend of traditional fair attractions and urban flair.

As we work to create a memorable and impactful event, we are looking to partner with businesses and organizations that share our commitment to promoting community engagement, youth development, and local agriculture. The **Urban Fair** will feature various activities, including live music, youth 4-H and FFA projects, local food vendors, art displays, and family-friendly entertainment. We anticipate attendance from thousands of local residents, all of whom will benefit from your generous support.

**Your sponsorship** will provide your business with an excellent opportunity to connect with a diverse and engaged audience while supporting the development of the next generation of agricultural leaders. As a sponsor, your company will receive extensive visibility before, during, and after the event through our marketing efforts, signage, and social media promotion.

We offer several sponsorship levels, each designed to fit a variety of budgets and promotional goals. In addition to traditional sponsorship benefits such as logo placement and recognition, we are happy to discuss customized opportunities to ensure your sponsorship aligns with your marketing objectives.

This letter includes a detailed overview of our sponsorship packages and the benefits associated with each level. We would be thrilled to discuss how we can partner with you to make this year's Urban Fair an even greater success.

Thank you for considering this opportunity to make a positive impact on our community. We look forward to the possibility of working with you and appreciate your continued support of local initiatives. Please don't hesitate to contact me to discuss how we can best collaborate.

Warm regards,

Lucas County Agricultural Society & Fair
